

Amanda Frost, Director

# Leadership Columbian County

Leadership Columbian County is a nonprofit organization that provides intensive classroom and hands-on experience to build leadership capabilities.

The program is governed by a board of directors and is self-sustained through tuition, corporate, and community support.

Participants are nominated by their company and must complete an application in order to be accepted into the program.

For more information on how your business or organization can become involved in Leadership Columbian County, please contact:

## LCC The Program

Modeled after successful leadership programs across the nation, Leadership Columbiana County offers a dynamic learning experience. Professional educators, business leaders and county officials provide training in areas such as:

- ★ Project Management
- ★ Interpersonal Communication
- ★ Team Building/Motivation
- ★ Goal Setting

## LCC Testimonials

*"I would recommend the class to anyone that wants to contribute to the community, have fun and establish new personal and business relationships."*

**John Messenger**  
AVP  
Financial Center Manager  
Huntington Bank

*"Leadership Columbiana County was a life altering experience for me. In the span of nine months my entire outlook on life changed, and the program taught me to be a well-rounded individual."*

**Christian Welch-Shields**  
East Liverpool City Hospital

## LCC Program Goals

- ★ Build leadership capacity in business, public and non-profit organizations within Columbiana County
- ★ Equip the county's future leaders with the leadership skills necessary to guide Columbiana County through change and into a viable future
- ★ Motivate the future leaders of Columbiana County to think strategically about the region

## LCC Community Benefit

Leadership Columbiana County participants bring improved leadership and management skills to the everyday work place.

## LCC Participants

- ★ Mid-level professionals eager to gain new skills to help them advance into leadership roles in their organizations and/or community

## LCC Tuition

Tuition of \$1,000 covers nine full days of instruction, materials, morning refreshments and lunches.

*"LCC is a great investment to support the professional growth of employees. The results we have seen include a renewed pride for the local community, increased self confidence and the empowerment to make a difference in the county. The program is rewarding for the employee, the employer and most of all our local community."*

**John Avdellas**  
Vice President of Marketing, WTI

*"Leadership Columbiana County showcases all of our county's resources. From our most valuable resource - our people - to all of the wonderful and positive attributes our county offers to businesses, families and a way of life. This program is worth the investment because the return benefits all of us."*

**Sean D. Logan**  
Former County Commissioner  
Ohio Department of  
Natural Resources Director
